Central Coast Evangelical Church
PO Box 3446, Erina NSW 2250

For more information phone Craig on 0425 365 957 or visit the website at www.lttf.com.au

Everyone wishes they had it.
One person promised it.

*"I have come that they
might have Life to the Full"*
~ Jesus Christ

If you think that's a good offer, we'd love to discuss it over a meal.

The program is absolutely free. This includes attendance, materials and meals.

"I enjoyed every night so much I was sorry when it ended!"

"Friendly, relaxed, atmosphere. Great food and discussion. It really got me thinking"

Location

Erina Community Centre
Cnr of Karalta and Ilya Rds, Erina NSW 2250
(There is plenty of parking)

What is life to the full?

Are we meant for more than this? What is life to the full and who has it anyway?

Jesus Christ lived 2000 years ago, yet the relevance of his teaching is timeless.

Life to the Full is based on the bible and aims to explain who Jesus is, the evidence for his claims and why his words are so incredibly relevant today.

What is life to the full?

The program involves six get-togethers, in a friendly casual environment once a week over a meal.

There are no expectations. Simply come, listen, ask questions if you wish and enjoy some stimulating discussion.

Who is it for?

Life to the Full is for anyone interested in finding out about the life we're meant for.

You may have never fully considered the claims of Jesus. It may be that you are skeptical about Him and what he stands for. You may have given little thought to these issues, or you may even be a Christian but now want to examine them more deeply.

Life to the Full is for anyone who wants to examine the evidence for themselves.
